Deb,

I talked to Dick P today after talking with you yesterday. I recommended to Dick that we cancel or postpone the 11/15 Milestone Mtg because I don't think there's much that could happen in that mtg that truly needs Dick's attention or input. Dick agreed..., he's not too interested in attending a Milestone Mtg if it's mainly just a project update..., I can & do give that to him on a regular basis. Furthermore, Dick thinks Dan needs to be at any Milestone Mtg for it to be productive & successful.

I think we should convene a PH MOU (EPA/partners) mtg before year's end. Dick is interested in attending that mtg..., as I'm sure our partners are. Let me know if you agree & want some help setting-up it up.
